

**REMARKS/ARGUMENTS**

This Amendment is in response to the Office Action dated July 10, 2007. Claims 112-131 are pending. Claims 112-131 are rejected. Claims 112, 117, 119, 122, 124, 125, 128, and 131 have been amended. Accordingly, claims 112-131 remain pending in the present application.

Claim 112 is objected to because of the following informalities: Claim 112 recites in line 14 “determines that the request...”. This line should recite “determine that request ...”. Accordingly, Applicant has amended claim 112 to recite “determine that request...”.

Claims 112, 119, 124, 125, 128, and 131 are rejected under 35 U.S.C. 112, second paragraph as being indefinite. The second “a specifier” should be recited as “the specifier”. Accordingly, Applicant has amended claims 112, 119, 124, 125, 128, and 131 so that subsequent recitations of the specifier has sufficient antecedent basis.

Claims 112, 117, and 122 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite. Claims 112 in the preamble is unclear reciting in line 2 “more specifiers... to a plurality thereof...” It is unclear what the “plurality thereof” means. Claims 117 and 122 have claims depending from multiple claims. This type of claim dependency creates a problem upon allowance of an application because the claim cannot be made to depend on all of the claims in the series. Accordingly, Applicant has amended claim 112 to recite “a plurality of objects thereof”. Further, Applicant has amended claim 117 to depend on “claims 112, 113, 114, 115, and 116” and claim 22 to depend on “claims 119, 120, and 121.

Applicant respectfully requests reconsideration and passage to issue of claims 112-131 as now presented. Applicants' attorney believes this application in condition for allowance.
